Folks, if you get arrested or cited for your LEGAL weapons, PLEASE CONTACT CGF.

There have been several recent cases where people have not contacted us, and/or have decided to rely on local counsel or public defenders.

If the case is appropriate, we can work WITH your local counsel or public defender to make sure that you get the best representation possible and that your counsel is educated as to your gun rights. We do this at no charge as part of our mission as a non-profit.

In certain cases, we will even have our own attorneys represent you.

If you are concerned about attorney/client confidences being breached, you may contact ME, as I am a licensed attorney and everything you say to me will be kept in confidence.

Remember, we can't help you unless you reach out to us.

To contact us, PM any of the board members such as Kestryll, Ivanimal, Bwiese, Hoffmang, etc. . . OR PM me. If the matter is urgent, you may call my cell phone at 415.827.1776, and/or email me at fnfal61 (at) gmail.

It is very important that there continue to be NO SUCCESSFUL OLL PROSECUTIONS IN CALIFORNIA.
