It's Time Our Voices Are Heard Throughout the United States!

We are marching for the 2nd Amendment in Sacramento on April 19 at 10am

The GS2AC will join others from all over California in a determined and peaceful March in Sacramento on April 19. We need all members and citizens who cherish their 2nd amendment rights to be at this national event. On the same day, thousands of other Americans will be marching in Washington DC and other state capitals.

If you wish to travel with your friends and share a ride, meet at 6am on April 19 at Harry's Hoffbrau, 390 Saratoga Avenue, San Jose.
