## **City of Santa Clara Trying to Ban Gun Shows**

**Tuesday, October 10 at 7:00 p.m.**

**City Council Meeting**

1500 Warburton Ave Santa Clara, CA 95050    tel: (408) 615-2200

Police Chief Stephen Lodge has proposed amending the City's Municipal Code to make it ...

“ ... unlawful for any person on public property within the corporate limits of the City to offer or expose for sale any goods, wares or merchandise, or to erect or maintain any booth, stand or show featuring any projectile weapon..”

“.....projectile weapons shall be referred to as “firearms” .... And shall include, but not be limited to, any gun, rifle, pistol, firearm, cannon ( or explosive device of a similar nature ), air rifle, air pistol, air gun, BB gun, gas operated gun, pellet gun, flare gun, dart gun, paint gun, bow, crossbow, slingshot, wrist rocket, or any instrument of any kind, character, or description which expels, launches or propels a projectile of any kind with sufficient force to cause damage to property, or injury or death to a person or persons. ”

A question for Chief Lodge..... How many people last year were killed with paint guns in Santa Clara? Flare guns?..... how about cannons? Maybe he should have included Petunias and Daisies on the list.... After all, based on the statistics, they appear to be just as deadly.

Don't miss this chance to make a politician squirm..... and defend your rights under the Second Amendment. For the full details on the ban go to City Council Minutes, Sec 7, A, 16 and click on “ REPORTS ” via the link below. Page 20
