

GS2AC Members,

You had asked at the October meeting on what we could do to help Tom McClintock win the possible recount.

Some of you contributed time and money.

Here is the good news: Tom McClintock will be going to Washington D.C.!

I wish to than all of our members that helped support Tom!

Subj: Great Victory ... Thank You!

Great Victory ... Thank You!

Butte County took a little longer to come in than we had expected, but it was worth the wait. The count is now complete with the possible exception of a handful of votes in El Dorado County and the election result stands at: McClintock 185,615 and Brown at 183,840.

The lead of 1,775 votes is a margin of victory that puts us well outside the possibility of a recount changing the outcome. To put it in perspective, it is more than twice the margin by which I lost the race for State Controller in 2002.

The numbers came in a little late to hold a press conference today but I expect to have a formal statement at our Congressional transition office in Roseville on Monday.

In the meantime, I can only reflect on the fact that I will never be able adequately to thank all those who so selflessly volunteered their time and resources to bring us to this moment. It is appropriate that the tally should be completed on the eve of Thanksgiving Day - it is a reminder of how much I owe to all those who rallied to the cause and to the voters of the fourth Congressional District. I am well aware of the trust that has been

placed in me and I will do everything I can to be worthy of it.

I want also to congratulate Charlie Brown and his supporters on waging one of the most hard-fought campaigns I have ever faced. There can be no doubt of the sincerity of their views or the dedication with which they pursued them. I know from personal experience how difficult it is to lose a close race, and I hope it is a consolation for them to know that they made a truly superb effort.

I will have much more to say formally on Monday, but for now please accept my sincere thanks for all of the sacrifices that have been made on behalf of my candidacy.
